SALON ETIQUETTE

Our sole aim is to help you to relax, unwind and to enjoy your time with us.

Arrive Early

We welcome your early arrival so that you have time to unwind, read a magazine and to have a refreshment. Your pampering starts the minute you arrive.

Mobile phones

Please switch your mobile phone on to silent to prevent disturbing other clients and distracting your therapist. If you need to be contacted or are waiting for an urgent telephone call during your visit you can give the main number of the salon. We will ensure that you receive any messages.

Medical Records

You will be asked to fill in a confidential client form on your first visit. Thereafter, we will ask you to fill in a new form as and when required. Please keep us updated with any changes to your health/medication or special requirements. Please inform us if you are pregnant when booking any appointment.

Needs during treatment

We do our utmost to ensure your treatment is as good as can be and we try to anticipate your needs as a client. Please tell your therapist if your treatment can be improved, for example if you are too hot or too cold or pressure too light or too hard. We would much rather you asked for us to improve this during your treatment than to leave the salon disappointed. Your therapist is happy to assist in whatever way possible.

SALON POLICIES

Cancellations

Due to the increasing number of clients on our waiting list, we would kindly request at least 24 hours notice for cancellation. This gives us the chance to offer the treatment time to another client. For cancellations with less than 24 hours and for non-arrivals we have to make a charge for the treatment booked. We do not enjoy asking our clients to pay for treatments they have not taken and we would prefer not to have to do this. Please assist us in this matter and remember to cancel with 24 hours notice. We really appreciate your co-operation and hope never to have to charge you for a cancelled appointment.

Deposits

We will occasionally ask for deposits for certain treatments.

Dual Therapists

If you are short of time you can book more than one therapist and have two treatments done at the same time, for example manicure and pedicure. You can combine whatever treatment you wish and there is no surcharge for this.

Gift Vouchers

Vouchers make a thoughtful and useful gift for any special occasion. These can be purchased over the telephone with a credit or debit card. Vouchers are valid for 3 months from the date of purchase and they are **non refundable**. Regrettably **lost vouchers cannot be replaced and expired vouchers cannot be used**.

Something Special

We can arrange flowers, chocolates, champagne, lunch or special gift from the salon for any special occasion. Just mention this when booking the appointment.

Valuables

We would hate you to lose an item of sentiment or high value in the salon; we therefore recommend that you leave these at home. We cannot be held responsible for any lost or damage to personal items.
